BRAVE CAPTURE FLORIDA REPUBLICANS BY OFFICER

He Arrested Two Men Who Were Heavily Armed

They Were Later Identified as Two of the Men Who Wounded Four Men and Shot at Several Others Last Night.

Arlington, Mass., Feb. 7.—Two men who have been identified as members of who have been identified as members of the gang of desperadoes who shot up H. Tait for the presidency.

On the other side of the hall, the contract the state of the state of the hall, the contract the state of the state true Wiestern style, were captured here this morning by Officer Daniel M. Hooley. John W. Fole; of Woburn, who saw Policemen Timothy E. Welch and Edward T. O'Neill shot at Woburn, came here to-day and made the identification. cation. The men, who gave their names as Peter Rosi and Benislow Kericiocky. aged 22, have been taken to Woburn for arraignment. It is thought that they were recently employed in the Lowell mills.

Officer Hooley was informed about 5 a. m. that two suspicious men were passengers on a toolley car. He entered with a drawn revolver and before the men could pull their guns he had them under arrest. Both were heavily armed. A big posse is still searching the woods between Lexington and Woburn for the third member of the man with them and will carry them out. It then named William H. Taft as such candidate.

The anti-Taft convention adopted.

third member of the gang.

The robbers first appeared in Burlington, early in the evening. Near Pinehurst park, three men suddenly appeared beside the road and held up William P. Adams and William Essex at the point of revolvers. The robbers searched both men but not nothing.

men, but got nothing.

The Woburn police were notified and Officers Timothy E. Welsh and Edward PENNILESS BRIDE T. O'Neill were sent out. The poilcemen discovered three suspects in Woburn and when the strangers say they were bewhen the strangers say they were being followed they opened fire. Welsh was shot in the stomach and in the left side, and O'Neil received a bullet in the leg. Both officers fell.

A minute later one of their assailants was accosted by Bert Doroghue, a barber, who had heard the shooting. The highway mass, whiresed out his according to the story of the sto

Superintendent's Report.

Three points stand out conspicuously in the annual report of the superinten-dent of schools, O. D. Mathewson. They are: (1) the necessity for more room for school purposes, (2) the very great need for a common playground, and (3) the growth in influence of the high school department and its value. In the ansmal report of the school commissioners, the necessity for the first of these is emphasized, and the commissioners ask for closer relations between parents and

In speaking of the need for greater ac-commodations, Supt. Mathewson states that the attendance last year was 2,506 building by a party of young men and and that by the fall of 1900 there will was held for Mr. Weston in the associa- that some action should be taken at Finally, the city hall committee gave tion parlors, when he met a number of once to meet this need, as "experience the job of figuring the contract to the the man was who rescued Santisban the men and boys and kept-up a running shows that no economy is effected by architect and Charles D.
